LETTER

Commissioner for Patents
P. O. Box 1450
Alexandria, VA. 22313-1450

Sir:

Further to my conversation earlier this morning with a person in the Office of Patent Publication, I reiterate that the enclosed Notice of New or Revised Projected Publication Date for the above-identified patent application has been erroneously sent to me. *

Though the customer number "26423" is mine, I have no previous knowledge of this application, as I told Ms. Williams of ST-4C10 on 20th June 2005, and confirmed that in a letter returning a Filing Receipt in this case, which filing receipt had earlier been erroneously sent to me.

I again suggest that the file of this application be checked to determine who the attorney of record is because he is responsible for this application.
